REPORT

Impact Lecture series

1st session "Impact Lecture Series-II"

on "Entrepreneurship And Economic Growth"

October 9, 2021

The IIC of the college in line with its endeavour to impart culture of innovation and entrepreneurship among students organised impact Lecture series. The event was mainly aimed at sensitizing students about entrepreneurship and its role in the economic development.

PROCEEDINGS:

The event was hosted by IPR coordinator, Ms. Sana Bala who welcomed the gathering and spoke about the aim of the event. The programme was presided by the principal of the institution, Prof. (Dr.) Tabasum Rafiq who delivered the welcome address. In her introductory address, Professor Tabassum Rafiq talked about the importance of IIC in nurturing the young minds and encouraging creative ideas among students by providing them with the platform. She also stressed upon the importance of impact lecture series. Conducting impact lecture sessions in HEIs is one of the approaches under the IIC program to support IIC institutions to generate awareness on innovation. The impact lecture sessions will not only develop a streamlined campus innovation and start-up ecosystem but also help in establishing strong connection with ecosystem enablers at regional and national level, and aware students and faculty members about innovation ecosystem in their surrounding and at national level. The proceedings were further continued by Dr Shabana Ali (convenor, IIC). She highlighted the importance of impact lecture series. She also welcomed and introduced the guest speaker Dr. Abid Hussian Parray, Assistant Professor, Business School, Jammu University who deliberated on the topic "Entrepreneurship and Economic Growth" and Mr. Irtif Mehraj Lone (Incharge, CIIBM, JKEDI) who deliberated on the topic "Start up Ecosystem of J&K". The host of the event then requested the guest speaker to take over. Dr. Abid expressed his gratitude to the institution for inviting him and lauded the institution for fostering the culture of innovation and entrepreneurship in the college. He talked about the problems of the society and finding its solutions is the key to the concept of modern entrepreneurship. The learned speaker further elaborated the components of modern entrepreneurship and in this regard talked about terms like idea generation and problem solving, structured experimentation, adaptability, decisiveness, team-building, innovation and long term focus. He emphasized the importance of skills and knowledge in setting up successful ventures and encouraged them to develop their skill set. Dr. Abid further explained the role of entrepreneurship in economic development by highlighting its role in wealth creation, community development, balanced regional development, exports and creating jobs. He also shared many success stories of renowned entrepreneurs with the participants to motivate them to take up entrepreneurship as a career. Towards the end, a vibrant question-answer session was conducted, wherein the participants posed some queries

to the speaker, which were answered satisfactorily. The program ended with a formal vote of thanks presented by Ms. Rumaisa Nazir, Internship Activity Coordinator, IIC. Mr. Shabir Ahmed, Assistant Professor, Computer Applications provided technical support by streaming the event live on Google Meet.
