Principal's Message

I am pleased and honored to present yet another issue of the College Newsletter “Khatoon” before the esteemed readers.

“Khatoon” has made its place among the college newsletters over the years. It gives an overview of the multifarious activities undertaken by the college in curricular, extra-curricular and co-curricular fields.

The period covered in this newsletter is full of diverse academic activities which has been productive and fascinating. I feel privileged to be associated with this institution for about two decades and am witness to its growth and development. Being fully aware of the requirements and demands of this prestigious institution, I shall leave no stone unturned to make it touch new heights of excellence. I foresee a very bright future for this institution of learning with the support and enthusiasm of the faculty, supporting staff and more particularly students of the College.

I am sanguine that readers will find this newsletter informative and interesting. I congratulate the editorial team for the excellent outcome of their efforts and wish them more success for their future endeavors.

Prof. (Dr.) Maqsooda Khan

Editor's Note

*“ Success is Simple .Do what's right
the right way at the right time”.*

It is a matter of great pleasure and privilege to present the latest issue of the College Newsletter “Khatoon”.

Due to the unrest in the valley, we couldn't bring out the first issue of the newsletter on time. Hence, it was thought feasible to bring out a combined issue of the college newsletter for the year, 2016.

I owe a debt of gratitude to the Esteemed Principal, Prof. (Dr.) Maqsooda Khan for reposing unwavering faith in me and my efforts to make the publication of the current issue a success.

The Newsletter is a blend of active participation of faculty and students in various events in and outside the College. It puts forth the efforts made by the college fraternity in order to achieve the target of academic excellence. It also manifests the role played by them in grooming the personality of the students so that they can overcome the challenges of their life.

In this direction we look forward to receive the constructive feedback and healthy suggestions from our worthy readers so that the aspirations of students are fulfilled and our dream comes true.

CM Scooty Scheme

6th November, 2016.

The Honorable Chief Minister, Mehbooba Mufti formally launched “**Empowering the Girl Child**” scheme at SKICC, Srinagar. Under this scheme, the State government provides 50% sponsorship of the cost of scooty for meritorious college going girls from weaker section of the society. To get the benefit of the scheme, a student should have secured at least 65% marks at 10+2 level and her family annual income should be less than Rs. 4 Lakh per annum and should be able to finance the remaining 50% of scooty amount on ex-showroom price. The scheme is meant to empower the girl child and to facilitate her independent mobility and at the same time promote her confidence. She handed over keys to 150 girl students of our college and later Madam Principal Dr. Maqsooda Khan distributed scooties among these students in the college campus on **20th December, 2016**.

College Developmental Activities

• **Installation of Biometric Attendance Machines**

To make work culture more robust and transparent, Honourable Governor of State, Shri. N.N. Vohra issued orders for installation of Biometric attendance system in all Govt. / Semi Govt. organizations. In this regard the college moved ahead and under the able supervision of Prof. Audil Hussain, H.O.D Computer Applications, installed two biometric attendance machines for the faculty and the administrative staff of the college with effect from **1st April, 2016**. The main advantages of this biometric attendance system are:

- NO PROXY ATTENDANCE
- REAL-TIME DATA
- PAYROLL ERROR REDUCTION
- LOW COST
- NO DATA MANIPULATION

• **Installation of Card Printer Facility in the College Library**

In a pace to equip the college with modern facilities, Zebra ZXP card printer has been installed in the library. The college has thus become self reliant as far as the printing of college identity cards of the students as well as the faculty is concerned. The facility has enabled the college to be in a position to print bar coded PVC Cards in house with which students can borrow books through automated system of the library.

• Physical Infrastructure

The college makes all efforts from time to time to bring about a constructive reform in the infrastructure in order to provide ample and adequate facilities to the students as well as the staff. In this regard, the developments in raising of physical infrastructure that took place during the period under reference are :

Renovation of corridor in Main Academic Block.

Renovation of Principal's Chamber

Laying of cemented blocks and iron grilling of front lawns in the campus

Levelling of college Ground

90% completion of works in New Academic Cum Science Block.

Commencement of renovation and repair works in College Auditorium.

sides these works, the college has submitted a proposal to R&B Department for establishment of **car parking** facility in the ground which is expected to be taken up very shortly.
